

CHOW LEE - DEAN OF ACADEMICS

Chow Lee earned his Master's degree in Business Administration from the University of Alberta, specializing in Finance and Quantitative Methods. He earned his Bachelor's degree in Engineering (with Honors), specializing in Industrial and Systems Engineering, from the University of Singapore. Dean Lee began his career with DeVry in 1982 at the Calgary campus as an Associate Master. He was quickly appointed Dean of Computer Science and in the following years he was appointed Dean of Electronics followed by Dean of Academic Affairs. In 1998 Dean Lee relocated to California where he contributed his knowledge and skill in the opening of the Fremont campus. He moved into the Dean of Academic Affairs position in the summer of 2002.

JULIE BARBADILLO - DEAN OF GENERAL EDUCATION AND BUSINESS ADMINISTRATION

Julie Barbadillo has been with DeVry for 12 years. She began teaching in DeVry's Phoenix, Arizona campus and transferred to the Federal Way campus in 2001. She earned her Master's degree in Public Administration (Summa Cum Laude) from Arizona State University and a Master's degree in English (Magna Cum Laude) from the University of Colorado-Denver. Her Bachelor's degree in English is from Colorado College. She was Professor of General Education, Evening/Weekend Program at the Phoenix campus. Dean Barbadillo also taught at the University of Colorado-Denver, Metropolitan State College, Community College of Denver, Arapahoe Community College and Red Rocks Community College.

JIMMIE RUSSELL - DEAN OF ELECTRONICS

Dr. Russell earned his Ph.D., and his Master's degree in Electrical Engineering from Cornell University. He attained his Bachelor's degree in Electrical Engineering from Massachusetts Institute of Technology. Dean Russell is no newcomer to DeVry, having worked at the DeVry Fremont campus since October of 1998. He was Assistant Professor in the Electronics Engineering Program and the Electronics Technician Program. In May of 2000, he was promoted to Dean of Computer Information Systems, Information Technology, Technical Management and the Evening/Weekend Programs. Prior to his career with DeVry, Dean Russell taught at Ohio State University and ITT Technical Institute.

RICH THOMAS - DEAN OF CIS AND NETWORK COMMUNICATIONS

Mr. Thomas earned his Master of Science Degree in Systems Management from the University of Southern California and his Bachelor of Arts degree (summa cum laude) from Norwich University. He joined DeVry in July 2002 as an adjunct faculty member and became a full time Instructor in March of 2003. Rich came to us with several years of management experience as Operations Manager with Milgard Tempering in Tacoma and with Rail Pro in Kent.

DONN CALLAWAY - CHAIR OF ACCELERATED PROGRAMS

Mr. Callaway was awarded his M.A. degree in Linguistics from Southern Illinois University and his B.A. degree in English from Santa Clara University in California. He has considerable teaching experience, including lecture/instructor positions at Bellevue Community College, Seattle Central Community College, City University, and Seattle University. He comes to us from ELS language centers in Seattle.

LAWRENCE LAM - ELECTRONICS PROGRAM CHAIR

Dr. Lam earned his Master's degree and his Ph.D., in Electrical Engineering from the University of Washington. He received his Bachelor's degree in Electrical Engineering from the University of Texas at Austin. He also taught at the University of Washington, North Seattle Community College, Pierce College and ITT Technical Institute. Before he started his teaching career, he worked for National Semiconductor developing the world's first BICMOS SRAM, and worked for Kodak and Cornell University to develop Organic Light Emitting Diode, OLED display & future generation display to replace LCD.

SHERRY MITCHELL - CHAIR OF GENERAL EDUCATION & FACULTY TRAINER

Dr. Mitchell attained her Ph.D. and Master's degree in English from Washington State University. She earned her Bachelor's degree in English from Southern Oregon State College. In addition to teaching at Washington State University, she had the opportunity to teach as a Visiting Professor at Luther College in Decorah, Iowa.
